

Emanations Zen Paperback – October 3, 2023

by Carter Kaplan (Author)

Emanations Zen is the tenth volume of International Authors' anthology project, which encourages raconteurs, poets, visionaries and memorists to engage with the possibilities for unrestricted inquiry and free expression. Here readers will find a book that is challenging, far-ranging and far seeing, a book that advances the ways informed literature can be used to view and understand the world. The forty-one contributors represent Japan, South Korea, the Philippines, India, Oman, Nigeria, Russia, Ukraine, Spain, France, Norway, Canada, the United Kingdom, and the United States.
